

GEIS SCHOLARS PROGRAM

GUIDELINES | 2021-2022

HISTORY

The **Geis Family Education Endowment Fund** was established in December 2010 to ensure qualifying students are provided access to quality Catholic education, regardless of their ability to pay. The first Geis Scholars scholarships were awarded in the 2011-2012 academic year. The Erwin & Katherine Geis family has a long history of supporting Catholic ministries, and established this fund as a lasting legacy to their family's commitment to providing a quality Catholic education to eligible students.

PURPOSE

To provide academic scholarships, with opportunity for annual renewal, to students enrolled in Catholic high schools located in Cuyahoga County, in the Catholic Diocese of Cleveland, who have a demonstrated financial need and record of academic success.

SCHOLARSHIP

Academic scholarships of up to \$5,000 each will be awarded to students meeting the criteria cited below, with an opportunity for annual renewal with evidence of sustained excellence in faith, academics, community service and positive peer relationships. **It is strongly encouraged that Principals/Nominating School Officials recommend all “qualifying” students for the scholarship award in addition to submitting renewal applications.** For the 2021-2022 academic year, there are potentially 9 renewal and 4 new scholarship opportunities.

CRITERIA *(students selected to apply)*:

- Applicants must be refugees, immigrants, or children of first generation immigrants.
- Applicants must qualify for the free or reduced school lunch program.
- Are currently enrolled in, or have been accepted by, a Catholic High School located in Cuyahoga County in the Catholic Diocese of Cleveland.*
- Can document a minimum scholastic achievement of 3.0 GPA.
- Are involved in school life and consistently demonstrate positive character traits.
- Are willing to participate in an informal gathering hosted by the Geis family representatives. Geis Scholars would have the opportunity to meet their grantor(s) and express how they have benefited from the grant and from their Catholic education.

**The high school application process begins annually in January with notification in February.*
