

St. Luke Cornerstone

Cornerstone is a special opportunity for us all to pause and breathe in God's strength. As we are renewed through honest interaction with each other, we can further discover the beautiful mercy both in our faith and in ourselves.

But most of all, Cornerstone is about connecting to give Glory to God.

Cornerstone replenishes our faith and personal growth in Christian Community that results from our commitment and interaction with each other as sisters in Christ.

Hebrews 4:16

Let us then approach God's throne of grace with confidence so that we may receive mercy and find grace to help us in our time of need.

Cornerstone Mission

The mission of Cornerstone is to provide an environment of sacred sanctity where women can meet as “Sisters in Christ” to discuss their relationship with the Lord openly without being judged or criticized. It provides an honest and confidential environment to awaken your spirituality and thus become closer to the Lord.

Women’s Cornerstone is an experience where women, at various stages in their faith and with unique life experiences, can pause and truly think about the plan God has for them. This is accomplished in an environment where one can find peace, direction and balance in her life through individual and community reflection, meditation and prayer.

Retreat Overview

Designed to welcome newcomers, the **Cornerstone Retreat** begins Friday from 6:00-9:30 pm and continues on Saturday, 10:00-6:00 pm at St Luke Parish. Turn off your cell phone and bring an open mind, and a willing heart. All meals will be provided.

Presentations will be followed by small group discussions. You will also have the opportunity for personal reflection, Reconciliation and Eucharist, as well as getting to know others who are sharing this very special experience with you.
