New Leadership

Following a special Holy Hour before the Blessed Sacrament, we moved back to the auditorium at Providence Rest to exercise one of our most important responsibilities – the election of new leadership. We thank all who remained available for the ministry of elected leadership and those who have accepted the responsibility entrusted to them for the next four years.

15th Provincial Chapter

The Delegates of the 15th Provincial Chapter send greetings to the Sisters of the American Province.

*“I have set before you
life and death,
the blessing
and the curse.
Choose Life then.”*

Deuteronomy 30:15-19

Acts of the Chapter

We have been diligent about reviewing Proposals and preparing Affirmations for the future life of our Province. In total, twenty-five Proposals have been approved and two Affirmations forwarded by the Chapter. These will be gathered together in a formal document that you will receive in the coming weeks.
