

15th Provincial Chapter

The Delegates of the 15th Provincial Chapter send greetings to the Sisters of the American Province.

Chapter Highlights

We, the Delegates of the 15th Provincial Chapter, are happy to share some highlights of these last few days together. Everyone has been hard at work, engaging in conversation and discernment on a variety of topics. Committees have shared the fruits of their work and planning for our future continues to take shape.

“It’s a great grace to have been called to Religious Life, therefore work for His glory and try hard to achieve sanctity.”

St. Alfonso Maria Fusco

Sister Rosaria Di Iorio

As a Chapter Body, we have been blessed with the presence of Sr. Rosaria Di Iorio, General Superior. Her sharing and input have been invaluable to all of us!

On the first day of Chapter, Sr. Rosaria reflected on the Chapter theme, “Choose Life,” as she told us: *“If we are truly attentive to the Holy Spirit we will have the courage and the freedom to make a new choice. It will be God who leads us in new ways.”* She recognized the difficulties that are inevitable, but encouraged all of us to face those difficulties as St. Alfonso Maria Fusco and the early Sisters had done.

15th Provincial Chapter

CHOOSE LIFE

Moments of Prayer

Not a day goes by without taking time for prayer – morning, noon and evening! Included in our prayers are always the Congregation, with special gratitude for the support and prayers of our Sisters of the American Province.

Moments of Insight

Over the course of these days, we have reviewed 47 proposals – some old and some revised. Be assured, Sisters, that we have never wavered in our concern for the good of all of you or our appreciation for all YOU did in preparation for this Chapter. Your work made our work easier!

Thank
you!

Moments of Fun

We also took some time simply to enjoy each other. We celebrated community, friendship – and our nation's Independence Day!
