

SISTER MARY LUCILLE BASUINO (December 27, 1943 - March 13, 1986)

On March 13, 1986, Sister Mary Lucille left the transitoriness of time to step into her Eternal Home where her peace and joy will never be broken.

Her short life was lived intensely and prayerfully with a deep commitment in all she was asked to do whether it was to her liking or not. Sister served the Church and the Community in many different fields. Having been blessed with a sense of humor, and a compassionate personality, she used them to bring solace and peace to others. She always went out of her way to spread love or lift someone's spirit with an unselfishness that endeared her to all.

Prayer was the staff of her life. All she did was placed with confidence in the hands of her Lord and Maker.

Sister Mary Lucille had a deep love for her Baptistine Community and Father Fusco, so she did not regret any time or energy spent in its behalf. Her final illness and paralysis gave a strong witness to the depth of her faith.

Having readied herself for heaven, giving back to the Lord more and more of what He had given her, she heard His call and went willingly to meet Him with a beautiful smile.

MAY SHE REST IN PEACE!
