Building the Kingdom of God: Living with paradox, parables and powerlessness.

A Lenten Retreat with Brother Don Bisson, FMS

Mar.12-15 2020

Testimonials

“Don Bisson is a man who has said ‘Yes’ to the unfolding invitation of the Spirit. Even more, as a gifted teacher and guide he makes the journey accessible to any who are ready to undertake the holy, healing journey into a deepening relationship with God—and into a better understanding of self. I encourage you to ‘taste and see.’”

Sandra Lommasson, Founder and Executive Director, Bread of Life

Brother Don Bisson, FMS is, first and foremost, a spiritual director and is widely respected as a specialist in the training, formation and supervision of spiritual directors. A Marist brother based in Esopus, New York, he has graduate degrees in liturgy, spirituality, and transpersonal psychology, and earned his Doctor of Ministry at the Pacific School of Religion specializing in Spiritual Direction and Jungian Psychology. With more than 80 live audio recordings available, Brother Bisson is internationally recognized for his lectures, workshops, and retreats on the interrelationship of Christian spirituality and Jungian psychology.

His soulful humanity makes Don attractive to the hundreds of people who find their way to virtually everything he offers. He is a man committed to “walking the talk.” From this commitment comes a grounded wisdom and an authentic humility. His gems of wisdom have been formed in the heat and pressure of the deep underground passage of his own healing journey in God. Compassion for what it means to be human is the result, alongside clarity about the compelling call of the Spirit to “wake up” and participate consciously in God’s purposes in our world. This waking up is not an achievement but a process that invites him—and us—into a transformation that is ongoing.
The reign of God is both within us and around us. The Lenten retreat will be a time of prayer, silence, and reflection on the conferences.

The Gospels call us to die and rise, be empty and be filled, trust in all circumstances. Through the lenses of both Jungian Psychology and Christian Spirituality, the retreat will guide us to potential transformation and a new religious outlook.

“Asked by the Pharisees when the kingdom of God would come, Jesus said in reply: “The coming of the Kingdom of God can not be observed, and no one will announce, ‘look, here it is’, or ‘there it is’. For behold, the kingdom of God is among you.”
Luke 17, 20-21
