"So out of the ground the Lord God formed every beast of the field and every bird of the air, and brought them to the man to see what he would call them; and whatever the man called every living creature, that was its name." (GENESIS 2:19)

The creation story reminds us of two important points. First, since the start, God has put the entire world into our care. Second, stewardship has been around since the beginning of mankind, it isn't something recently invented by the Church. Just as past generations built our Church, it is now our responsibility to continue to nurture and develop these gifts for future generations.

OFFERTORY PRAYER: That we may care for the planet and be better stewards of the earth's resources.

The Igniting a Fire Marian Event at St. Bridget in Pleasant Hill and St. Patrick in Holden will bless you and your family in your walk to eternal life. It will strengthen your faith and Trust in Jesus, Mary, and Joseph as the presenters are Servants of Our Lord and His Mother Mary. There will also be Relics and Eucharistic Miracles recounted that our Holy God has put into our path, and you will be given information that can increase your knowledge and wisdom for those you love. We have a total of six different presenters over the course of both evenings; Tuesday evening has three presenters at one parish and three different presenters at the other parish, and then the presenters switch parishes for the Wednesday evening. There is no admission fee and no sign-ups needed. Please set aside two nights on October 12 and 13 from 6:30pm - 9:00pm each night that can be life changing for you and for the souls put into your path.

More information on the bulletin board.

Jesus' disciples and Christian stewards recognize God as the origin of life, giver of freedom, and source of all things. We are grateful for the gifts we have received and are eager to use them to show our love for God and for one another. We look to the life and teaching of Jesus for guidance in living as Christian stewards.
