**We must meditate before, during and after everything we do. The prophet says: "I will pray, and then I will understand." This is the way we can easily overcome the countless difficulties we have to face day after day, which after all, are part of our work. In meditation we find the strength to bring Christ to birth in ourselves and in others.**

~ St. Charles Borromeo (1538-1584), Patron Saint of Spiritual Leaders & Seminarians, Feast Day November 4

## 32nd Sunday in Ordinary Time

Sunday, November 11, 2018

**1 Kings 17:10-16**

**Psalm 146:7, 8-9, 9-10**

**Hebrews 9:24-28**

**Mark 12:38-44**

We extend a warm welcome to all the visitors who are celebrating Mass with us this weekend.

We are blessed with many "visitors" who regularly attend our liturgies and generously contribute to our offertory. We would like to extend an invitation to "officially" register with Holy Family. Registration forms are available in the magazine rack in the vestibule. You may drop off your registration to the office or just drop it in the collection basket. By registering you will be included in all communications and invitations that pertain to Holy Family.

In the Gospel today, Jesus tells us: "You shall love the Lord your God with all your heart, with all your soul, with all your mind, and with all your strength...and you shall love your neighbors as yourself."

Through your gift to the Society of St. Vincent de Paul you can show your love for our Lord and your love of your neighbor who is hungry, hopeless, alone and frightened.

Since 2002, the Advanced Law Enforcement Rapid Response Training (ALERRT)™ Program at Texas State University has been used to train law enforcement officers across the nation in how to rapidly respond to dangerous active threat situations. Over the years we've seen response times shorten and the capabilities of law enforcement increase. As a result of increased public awareness, many citizens have asked what they can do to protect themselves and reduce the dangers faced during one of these events. As we've seen that hiding and hoping isn't a very effective strategy, **Avoid Deny Defend**® has been developed as an easy to remember method for civilians of all ages and abilities to follow.

**Avoid | Deny | Defend™**

During an act of violence (e.g. robbery, hostage situation, workplace violence, active shooter):

**AVOID** starts with your state of mind.

- Pay attention to your surroundings.
- Have an exit plan.
- Move away from the source of the threat as quickly as possible.
- The more distance and barriers between you and the threat, the better.

**DENY** when getting away is difficult or maybe even impossible.

- Keep distance between you and the source.
- Create barriers to prevent or slow down a threat from getting to you.
- Turn the lights off and silence your phone.
- Remain out of sight and quiet by hiding behind large objects.

**DEFEND** because you have the right to protect yourself.

- If you cannot **AVOID** or **DENY**, be prepared to **DEFEND** yourself.
- Be aggressive and committed to your actions.
- Do not fight fairly. **THIS IS ABOUT SURVIVAL.**

CALL 911 when you are in a safe area.

When Law Enforcement arrives, **SHOW YOUR HANDS AND FOLLOW COMMANDS.**

Remember that **What You Do Matters.®**

For more information, visit **AvoidDenyDefend.org** or email: **ADD@alerrt.org**

ALERRT at Texas State University's Avoid-Deny-Defend® training is a not-for-profit vital message and may be used at no cost provided it is distributed at no cost to the end user. We only ask that you credit ALERRT at Texas State as the creators of the Avoid Deny Defend® program.
