The first end I propose in our daily work is to do the will of God; secondly, to do it in the manner he wills it; and thirdly to do it because it is his will.

Our God has appeared on the earth, and lived among us.

Today is the feast of the Holy Family of Jesus, Mary and Joseph, and so we can celebrate that we all belong to the holy family of God which makes us brothers and sisters to each other.

At Christmas this year, through your gifts, the Society of St. Vincent de Paul was able to bring the joy and hope to our “brothers and sisters” who are poor by assisting local families.
Thank You!

ABOUT THE FILM

Sexual Revolution: 50 Years Since *Humanae Vitae* is an exciting and beautifully-made documentary that examines the parallel developments of the Pill and modern Natural Family Planning (NFP) by telling the little known story of the founding doctors, respectively, Dr. Gregory Pincus and Drs. John & Evelyn Billings. The centerpiece of the film is the dramatic life story of Alana Newman, a talented recording artist who goes from being an activist for feminism and sexual freedom to giving up her promising musical career for life, family, and love. Born through donor conception (via an anonymous sperm donor), Alana’s youth is filled with natural curiosity about her biological father. As she gets older, however, this curiosity develops into a sense of abandonment and self-doubt. Still, a spark of that curiosity inspires her on to an arduous search for Truth, Beauty, and Goodness—and her father. Eventually, Alana discovers the treasures of Theology of the Body, *Humanae Vitae*, and all the riches of the Catholic Church, and comes to realize that she, in fact, may never have been fatherless.

Sexual Revolution: 50 Years Since *Humanae Vitae* has been endorsed by The Pontifical Council for the Promotion of the New Evangelization.
