We extend a warm welcome to all the visitors who are celebrating Mass with us this weekend. We are blessed with many "visitors" who regularly attend our liturgies and generously contribute to our offertory. We would like to extend an invitation to "officially" register with Holy Family. Registration forms are available in the magazine rack in the vestibule. You may drop off your registration to the office or just drop it in the collection basket. By registering you will be included in all communications and invitations that pertain to Holy Family.

ABOUT THE FILM
Sexual Revolution: 50 Years

Since Humanae Vitae is an exciting and beautifully-made documentary that examines the parallel developments of the Pill and modern Natural Family Planning (NFP) by telling the little known story of the founding doctors, respectively, Dr. Gregory Pincus and Drs. John & Evelyn Billings. The centerpiece of the film is the dramatic life story of Alana Newman, a talented recording artist who goes from being an activist for feminism and sexual freedom to giving up her promising musical career for life, family, and love. Born through donor conception (via an anonymous sperm donor), Alana's youth is filled with natural curiosity about her biological father. As she gets older, however, this curiosity develops into a sense of abandonment and self-doubt. Still, a spark of that curiosity inspires her on to an arduous search for Truth, Beauty, and Goodness—and her father. Eventually, Alana discovers the treasures of Theology of the Body, *Humanae Vitae*, and all the riches of the Catholic Church, and comes to realize that she, in fact, may never have been fatherless.

Sexual Revolution: 50 Years Since Humanae Vitae has been endorsed by The Pontifical Council for the Promotion of the New Evangelization.
