A Song About Sounds

Literacy Song: letter-sound association

Here's a simple song and activity to help little ones recall letter sounds. Gather the following letter cards: *B*, *S*, *D*, *T*, *M*, and *P*. Then hold up the letter *B* and lead students in singing the song. Repeat the process for each remaining letter card, altering the words as indicated below.

(sung to the tune of "Bingo")

Oh, won't you sing a song with me—a song about a **[B]**
Bug, bat, basketball,
Bug, bat, basketball,
Bug, bat, basketball,
Yes, that's the letter **[B]**

Continue with the following:

S: *saw, seal, sunflower*

D: *dog, dish, dinosaur*

T: *tub, tie, telephone*

M: *mud, map, manatee*

P: *pig, pie, parachute*

Tip: Print the picture cards to go with the song!
