SCRIP FUNDRAISER

We sell gift cards to hundreds of retailers and restaurants through our Scrip program! See the enclosed order form for a sampling of some of the cards available. A percentage of your Scrip purchases will count toward your \$600 fundraising requirement, depending on the retailer. The fundraising requirement only applies to Kindergarten through 8th grade families; however we greatly appreciate the support of our Pre-K families as well!

Scrip can be purchased in two ways—you can return the enclosed order form with payment by Tuesday mornings, OR you can order online at ShopWithScrip.com. If you order online, you have the option of paying online through their PrestoPay program, or sending a check to school on Tuesday mornings. Cards ordered by Tuesday mornings will be sent home via backpack on Friday afternoons.

To sign up for your free ShopWithScrip account, simply visit ShopWithScrip.com and follow the simple steps to set up your new account in just minutes. Use **Enrollment Code 1E2EC2AA28814**. You can also reload gift cards that you already own at ShopWithScrip.com.
