

Divine Mercy Academy Home & School Association Agreement

Dear Families:

Enclosed please find the 2021-2022 Divine Mercy Academy Home & School Association Agreement. The agreement outlines your family's direct fundraising and volunteer service requirements for the period of June 1, 2021 through May 31, 2022. Please keep in mind that direct fundraising is calculated on **the profits earned** from your direct fundraising efforts and not the total sales.

Divine Mercy Academy is funded by tuition, parish subsidy, donations and Home & School Association fundraising activities. **Since tuition covers only part of the total cost of the education of your child/children, parents and guardians are requested to involve themselves in activities to assist the school.** These activities include fundraising and volunteer service activities. Participation in fundraising events and volunteer service fosters a sense of community and mutual responsibility for the school and our children while ensuring the financial viability and future of Divine Mercy Academy.

The Home & School Association will provide each family with occasional Fundraising/Volunteer Service reports so that each family can monitor their progress toward the annual minimum fundraising and volunteer service hour requirements.

Please complete the following by **Thursday, February 11, 2021**:

1. Please review the agreement and choose whether to be exempt or participate in the Direct Fundraising and Volunteer Service Hours.

Please return your signed agreement by **Thursday, February 11, 2021**.

Only one signed agreement is needed per family.

Part I – Direct Fundraising Options (K through 8th Grade):

Each family is responsible for a minimum of **\$600.00** of direct fundraising credits for Divine Mercy Academy. Fundraising credits are calculated on **the profits earned** from your direct fundraising efforts and not your gross sales. There are numerous fundraising events scheduled throughout the school year so that each family has multiple opportunities to meet their direct fundraising obligation. The percentage of profits earned varies by fund raising event so please review the enclosed list that outlines the scheduled events and applicable percentages. Participation in our gift card program is one of the easiest ways to reach the \$600 obligation.
