Re: The Sacrament of Reconciliation or Counselling

The most recent public health orders for the Province of Manitoba which take effect at 12:01 a.m. on Saturday, December 12, 2020, include provision for health care and social services for churches.

“16(5) This Order does not prevent the premises of a church, mosque, synagogue, temple or other place of worship from being used by a public or private school or for the delivery of health care, child care or social services.”

This means that appointments for the Sacrament of Reconciliation, as well as counselling, can be made available to parishioners. Please inform your parish community.

Thank you very much.
