Lay Ministers

The Catechist Formation Program is offered to catechists who seek further study in the Catholic Faith. The purpose of the program is to help catechists and other adults enter into a fuller living, loving relationship with Jesus Christ and the Catholic Church. The courses, seminars and workshops will help raise one's awareness of the life of a disciple and the call to service rooted in love.

At the end of each course you will have lesson plans on many topics which will be applicable to the grades you teach! For other participants, you will have an opportunity to write a reflection paper.
