

St. Clement of Rome PSR

2019-2020

Dear Parents,

Thank you so much for last year! It was truly a time of growth and great intimacy with Christ and your families. I am deeply grateful and enthused that we begin this 2019-2020 PSR year. For those of you who don't know me, my name is Jesse Egbert and I'm the Director of Religious Education here at St. Clement. The PSR staff and I are so humbled and thankful for the opportunity to assist you in the spiritual formation of your children. There is *no more honorable or higher calling* for a parent than the formation of your child's *soul* and his or her *relationship with Jesus Christ*. It is an honor that you would ask us, the PSR team, to help you with your child's formation and, truly, with the spiritual growth of your whole family.

I would like to jump right in and let you know that the PSR Parent Meeting will be on **Tuesday, August 20th**. PSR parents and students will gather in the cafeteria at **6:00pm** where our teachers will introduce themselves. After introductions, students will be dismissed with their teachers to their classrooms. Parents will stay for a brief informational meeting, and then are invited to visit the classrooms for additional information regarding the specific class and general school year.

We are excited to start this school year with our first official class on **Tuesday, August 27th at 6:00pm**. We ask that you take a look at the attached Traffic Flow chart and be aware of the new direction this year.

Because of safety issues we are asking all parents to enter in through the south Rectory Entrance and make their way to the back parking lot of the school. For safety and security reasons, we would like each parent to continue to escort their child to their classroom to ensure a safe drop-off. Please be patient and take your time entering and leaving the parking lot as your safety and the safety of all of our children are our primary concern. If you need help escorting your child for whatever reason please contact me or a PSR staff member to assist you. Then after drop-off please slowly exit through the Church Exit on the northern most side of the parking lot. Pick up will be the same route. Please personally pick up your child in class and sign them out from their teachers, as this ensures each child is dismissed with the proper parent or guardian.

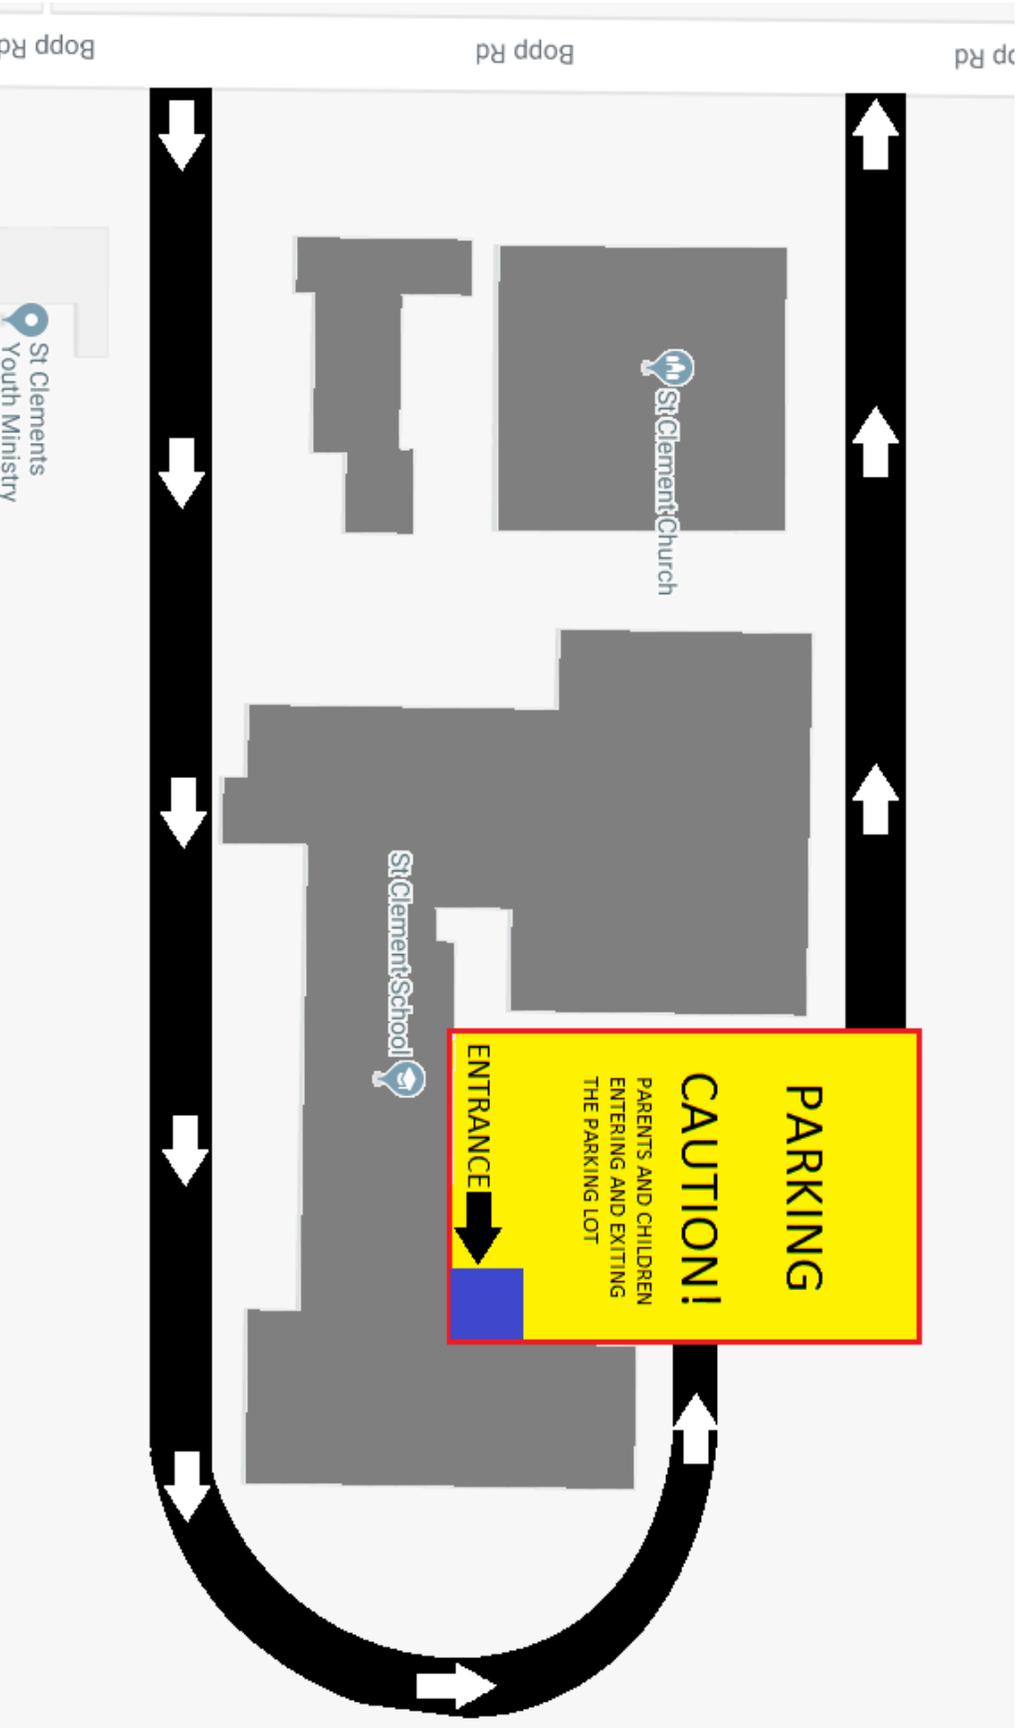

All first, second, and seventh graders and those new to the program are required to provide us with a copy of their Baptismal Certificate. Those students who were baptized at St. Clement need only to provide a date for our records. These we will need on the first day of school.

Registration materials for the 2019-2020 school year are available on the St. Clement website under the PSR tab in the left column (stclementcatholicchurch.org). This includes the Traffic Flow Chart, this Letter to Parents 2019-2020, PSR Parent-Student Handbook, the Registration Form, and the 2019-2020 PSR Calendar.

I am available Monday-Friday from 7:30am-4:30pm in the Ministry House across from the Rectory. I am also available in the school office during PSR sessions. I will be communicating through email, specifically through the Flocknotes app, so please keep me updated with your most current email so that I can send you all the information you need.

May the peace of Christ be with you all and may He enter more deeply into your hearts this year!

Jesse Egbert
