In the past two weeks I have written about the CLI work, accomplished early on, and on the more recent pastoral planning begun by Fr. Jim and the pastoral council. I want to focus a little more on the first of the three priorities. For me, this priority includes more than it seems to signify. The priority, "engaging parishioners", with its three smart goals has a very specific purpose. Like the other two priorities, we can understand this to be preparing souls for eternal life. Jesus, very often, would call this disciples aside from specific works to pray and rest. Therefore, we should focus on engaging each to know love and be with Jesus at the Mass, the celebration of the Eucharist. At Mass, on Sundays especially but at other times is when we come apart to be with Jesus.

With my prayers,

Fr. Kent
