## **Foundation Distributions exceed \$650,000**

This month the St. Luke Catholic School Foundation makes its annual contribution to the school. The 2017 contribution of \$46,700 sends total foundation distributions above the \$650,000 over the past 20 years. Endowment earnings are used to fund academic programs, student financial assistance and facilities improvements. A strong stock market and the continued investment of foundation donors have pushed total assets to the \$1,000,000 mark. An important partner in this work, Joe Weston of Portland, has matched contributions annually, this year \$20,000. Without the participation of our local donors the St. Luke Foundation would not achieve this match. We are grateful to all who make this possible.

We hope that parishioners and all community members who share the desire the support the school on a sustaining basis, will participate in the work of building this financial resource. Opportunities to contribute include participation through the Annual Appeal, memorial gift giving and estate planning.

For more information about the Foundation contact Rich Haener (503-678-5140) or Angie Smith (503-981-7441).
