Be the MatchHelp us light the way

This year's St. Luke School's annual appeal draws our attention to meeting 2 challenge grants offered by Joe Weston, Portland area philanthropist. A \$20,000 challenge for student financial assistance has been met. Thank you to all who helped to make this a reality. A \$30,000 challenge for the St. Luke School Endowment has received \$19,100. This challenge cycle ends in September. If you have not had an opportunity to support this effort, or if you would like to revisit your earlier commitment, Mr. Weston's offer still stands.

Over the years Mr. Weston has provided \$125,00 in student financial assistance and \$200,000 to the Endowment for St. Luke School. This is in addition to similar sums he has contributed to some 30 plus schools across the Archdiocese. His only requirement is that each year we match his generosity.

Endowed fund earnings are providing \$53,000 in operational support to the school this year, \$750,000 in support over the past 25 years. With your continued generosity and good will, St. Luke school continues its tradition to providing a Catholic education in the heart of Woodburn.

On behalf of the staff and students of St. Luke Catholic School, we extend our gratitude for your enduring support.

For more information about Mr. Weston's Challenge program,

Please contact Principal Angie Smith (503) 981-7441 or Rich Haener (503) 678-1540.

GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

May 19, 2019

5th Sunday of Easter

"I give you a new commandment: love one another." With these words, Jesus sums up the law and the prophets in one concise phrase. Love one another. After 2,000 years, you'd think we'd have it figured out by now! But all too often we fail in this commandment. Perhaps we mistake "love" for mere "common decency." Perhaps we've been betrayed, or our own visions of love have been tarnished or misrepresented in our lives. Blessedly, Jesus doesn't leave us without a guide.

"As I have loved you, so you also should love one another." Jesus himself modeled what this love should look like. So what are some of the characteristics of the love of Christ? Humility, for one. St. Paul writes that Jesus "emptied Himself." In becoming man, Jesus puts aside the full splendor of the Godhead. Not only does he become human, but he takes on many of the mundane privations of human life. He spent most of his life in relative poverty - especially by our standards - as a common laborer. When he began gaining popularity as a preacher, he still traveled on foot and spent nights in other people's homes or outdoors.

Jesus' love is generous. He was always available to the crowds and to being interrupted by people in need. He invested time in his disciples and patiently taught them about the kingdom of God. The love of Jesus is also courageous. He encountered many people deemed less worthy of human respect, due to being public sinners or having a physical or mental disability. Jesus was brave in breaking these social boundaries to show care and concern to the outcast. These traits are possible for us to imitate! Indeed, we are hardly identifiable as Christians without them. "This is how all will know that you are my disciples, if you have love for one another."
