Be the MatchHelp us light the way

This year's St. Luke School's annual appeal draws our attention to meeting 2 challenge grants offered by Joe Weston, Portland area philanthropist. A \$20,000 challenge for student financial assistance has been met. Thank you to all who helped to make this a reality. A \$30,000 challenge for the St. Luke School Endowment has received \$19,100. This challenge cycle ends in September. If you have not had an opportunity to support this effort, or if you would like to revisit your earlier commitment, Mr. Weston's offer still stands.

Over the years Mr. Weston has provided \$125,00 in student financial assistance and \$200,000 to the Endowment for St. Luke School. This is in addition to similar sums he has contributed to some 30 plus schools across the Archdiocese. His only requirement is that each year we match his generosity.

Endowed fund earnings are providing \$53,000 in operational support to the school this year, \$750,000 in support over the past 25 years. With your continued generosity and good will, St. Luke school continues its tradition to providing a Catholic education in the heart of Woodburn.

On behalf of the staff and students of St. Luke Catholic School, we extend our gratitude for your enduring support.

For more information about Mr. Weston's Challenge program,

Please contact Principal Angie Smith (503) 981-7441 or Rich Haener (503) 678-1540.

GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

May 26, 2019

6th Sunday of Easter

Theology has two words to describe the space between God and us - transcendent and immanent. When we say God is transcendent, we speak of the one whose ways are not our ways, the placer of stars and maker of mountains. This is God who transcends our understanding, whose being goes beyond what we can know. When we say God is immanent, we mean His nearness to us. This is the way Jesus speaks of himself in today's Gospel. "Whoever loves me keeps my word...and we will come to him and make our dwelling with him."

The Hebrews saw God as intimately involved with the fate of their people. But for all His care, God was still distant to most. He spoke through prophets and was represented in blazes of fire and pillars of cloud. Priests offered animal sacrifice to atone for the nation's sins. While we still know that God is transcendent - any morning's resplendent sunrise confirms this - Jesus introduces us to himself in a new way. Not only does Jesus walk among us, but the Holy Spirit dwells within us. "The Advocate, the Holy Spirit...will teach you everything, and remind you of all that I told you. Peace I leave with you!"

How do you tend to view God? For many of us, the transcendent sense of a distant God might fill our perception. Today's Gospel reminds us of something altogether different, something more intimate. Our God remains with us. He overcomes the confusion of the world and speaks peace to our troubled hearts. Our God is not far from us. The more we remain connected to Him and love as He loved, the more we will experience His nearness. We can have confidence in His presence and rest in His encouragement: "Do not let your hearts be troubled or afraid."
