

At U.S. Tel we sell and install complete business telephone systems to meet your every need. We offer quality systems featuring Panasonic, Norstar, AT&T, Lucent Avaya to name just a few. Our services include Computer Telephony, Voice Mail, Auto Attendants, and IP Cameras. Our competitive rates will provide you with a guaranteed maximum saving without compromising quality. We provide sales, installation, maintenance and repair services for a broad range of telecommunications products and services, including:

- Telephone and Voice Mail Systems
- Complete Network Solutions
- Installation and Maintenance Services
- Equipment Buy-Backs and Trade-Ins
- Consulting for Voice and Data Networks
- Voice and Data Cabling
- VoIP products/PRI, SIP Trunks
- Video Conferencing Solutions

U.S. Tel prides itself on providing business phone systems and telecommunications equipment and services at prices lower than primary telecommunications providers. Our commitment to quick, personal service sets us apart. Our firm listens to what you have to say - and provides products and services you need. You will appreciate the difference.
