Consider the ICS-Benjamin Moore National Accounts Program

The Benjamin Moore® National Accounts Partnership Program makes it very easy for you to **buy, manage, and select** your paint, color and coatings. This program offers online access to all Benjamin Moore products at consistent, negotiated pricing. It also includes projects management support (if needed) from the planning stage(s) through completion. Aimed to help you reduce the total cost of ownership of any painting project, this National Accounts Partnership Program combines tailored service with online efficiency.

Why are you eligible to participate? ICS's partnership with Benjamin Moore gives all of the churches, schools, and catholic organizations that we serve the authority to purchase Benjamin Moore paint through this program. Once you set up your account, you are instantly eligible for the discounted pricing; as your orders are fulfilled, they can be picked up at the local Benjamin Moore dealer nearest to you.
