FACE of Rhode Island is a State of Rhode Island Scholarship Granting Organization associated with the Diocese of Providence that allows corporations to take tax contributions that will directly benefit the children of Rhode Island families who otherwise would not be able to afford a Catholic education.

This program is open to certain types of business organizations with projected State of Rhode Island corporate tax liability LLC’s, LLP’s C-Corps and S-Corps may apply.

Applications can be submitted for a scholarship tax credit on July 1 of every year for the upcoming fiscal year. Some businesses will choose to apply for a more lucrative two-year tax credit.

Don’t delay - time is running out!

To learn more about how your business might qualify for an educational tax credit, please call the Catholic School Office at 401-278-4550.

Visit our website at www.FACEofRI.org. Check out our video describing the tax credit program!

Please share this important information with your accountant.
Face of Rhode Island is an SGO, or scholarship granting organization. SGO’s are state approved not-for-profits that collect and distribute tax credit donations from corporations. Your tax credit contribution to the Catholic schools in the Diocese of Providence will help economically challenged students attend a Catholic school of their choice.

Financial Aid for Children’s Education of Rhode Island (FACE of RI) provides much needed financial aid that enables students to attend a RI Catholic School. As a scholarship granting organization, FACE of RI is part of the state corporate scholarship tax credit program which provides tax credits for contributing businesses. Your corporate tax contributions to FACE of RI will directly assist students with demonstrated need to enroll in the Catholic school of their choice.

Your corporate tax contribution will change a students life!

For more information please call the Catholic School Office at 401-278-4550, or visit the FACE of RI website: www.faceofri.org

Because of you
I can be...
a college graduate
an artist
an engineer
da doctor
da dreamer
triumphant

Let’s take a closer look at how this works: Say your corporation has $10,000 in tax liability. You could apply for a two-year tax credit of $9,000 a year. Then, by submitting $10,000 to FACE of RI, your tax credit contribution could be used to educate two students in a Catholic elementary school, or help a family send their child to the Catholic high school of their choice. It is a win-win!

Together, we can increase the number of students enrolled who otherwise wouldn’t be able to afford a Catholic education for their child. But if you’re still not convinced...

Students enrolled in Catholic schools save the taxpayers of Rhode Island just under 200 million in educational dollars each year. Rhode Island Catholic schools have a 99% graduation rate with 97% going on to college.

And since our inception, we, at FACE of RI have granted just under 3 million in corporate tax credit contributions and assisted over 2,100 students to choose a Catholic School education. Now that’s a milestone!

Your corporate tax credit contribution will change a student’s life.

Your corporate tax credit contribution will change a student’s life.
