

For a Synodal Church – Parish Survey

We thank you for answering this survey with honest reflection and being a part of this important work in the Church. Feel free to make copies for each member of the family.

Please share your best experiences with the Catholic Church and the joys it has brought you in your life?

How welcomed do you feel in participation in the church or parish sacramental life or social outreach?

How informed are you on the life of our parish and the Allentown Diocese?

How comfortable are you in your Faith and Knowledge of the core teachings of the Catholic Faith?

What difficulties or disaffection do you have with the Catholic Church?

What are some ways that we can all journey together as a Universal, Catholic Faith Community?

How comfortable would you be inviting a friend, or loved one who has lapsed or fallen away from the practice of the Catholic faith altogether, coming to Mass in our parish?

We also want to listen to those who are currently not practicing the Catholic faith. We want to hear what they have to say. Do you know someone who would like to share? You can attach their written thoughts on a copy of this questionnaire or have one of our team members talk with them.

Listening with no judgement, listening to understand.
