

Campaign Mail Volunteers!

For those families who volunteered to help assemble mailings for the campaign, our first opportunity to help the campaign will be on **Wednesday, October 10th at 9am (after daily morning Mass) in the Parish Hall.** Please call the campaign office at 677.2639 x12 or email campaign@stpatsfarm.org if you are able to help. Even if you did not sign up on Volunteer Weekend and you would like to help, we invite you to join us.

If you are unable to attend on October 10th, fear not. This will be the first of several occasions for our parish volunteers to help during the campaign.

If you have already received a reception invitation, please RSVP at your earliest convenience. Invitations will continue to be mailed through this coming week.

By the end of this coming week, every family should have received their invitation to attend our campaign receptions being held from mid-to-late October. At these receptions, Fr. Barry and the Campaign Committee will share our vision for the future as well as show the 3D project overview. This is your opportunity to learn firsthand about the campaign, ask questions, receive your campaign materials and meet with your fellow parishioners. We encourage everyone to attend. God bless.

Stewardship thought from this week's gospel

“So out of the ground the Lord God formed every beast of the field and every bird of the air, and brought them to the man to see what he would call them; and whatever the man called every living creature, that was its name.”

GENESIS 2:19

The creation story reminds us of two important points. First, since the start, God has put the entire world into our care. Second, stewardship has been around since the beginning of recorded time, it isn't something recently invented by the Church (as St. Paul reminds us in his epistles). Just as past generations built our Church, it is now our responsibility to continue to nurture and develop these gifts for future generations.
