Why should I give?

Just like those parishioners who in 1921 sacrificed to build our church and pass on the faith, so too we have a responsibility to be good stewards. Whether you are a long time parishioner or new to our community, everyone has a stake in our future. With everyone's cooperation, we can make the vision for our parish a reality.

When will construction begin?

The parish needs to meet certain financial benchmarks (as it pertains to the cost of the project) with the Archdiocese of Hartford before we can move forward with formal documents/plans from the architect. Ideally, with a strong and generous response from the parishioners of St. Patrick, we believe we will meet those criteria by early summer with finalized documents being initiated then completed by the architect, then move into construction shortly thereafter.
