

## **THIS IS COMMITMENT WEEKEND!**

### **Over \$2,000,000 pledged from ~100 families**

The parish family of St. Patrick's Church asks that you make your Commitment today. **From the beginning, this campaign has been based on the idea of equal sacrifice, not equal amount.** While we are asking every household to **consider** a pledge of \$5,000, payable over a three-year period, we know not everyone can make such a gift. **We need gifts of all sizes to be successful. We need everyone to participate to the best of their ability.** If you are able to consider a gift of \$10,000, \$15,000, \$25,000 or above, we ask that you prayerfully consider doing so for the benefit of St. Patrick's.

Those who do not respond this weekend will be contacted by our campaign volunteers.

### **Phone Call / Follow Up Volunteers!**

For those who volunteered to help make phone calls and follow up with parishioners during the campaign, there will be a Volunteer Training Meeting in the **Parish Hall on Tuesday, November 13<sup>th</sup> beginning at 6pm.** If you are unable to attend but still would like to make phone calls, please contact the campaign office. Thank you again for volunteering!

### ***Stewardship thought from this week's gospel***

***"I say to you, this poor widow put in more than all the other contributors to the treasury. For they all contributed out of their abundance; but she out of her poverty has put in everything she had, her whole living."*** MARK 12:43-44

Jesus gets right to the point – we are all called to support the mission of the Church, regardless of our circumstance. No gift is too small or insignificant! Supporting the mission of our local parish is a matter of our faith, just like praying and participating in parish ministries. When you make a financial offering, is it from your "first fruits" or from what is "left over"?
