### CONNECTING THE WORD WITH THE WORLD

*"Where two or more are gathered in my name, I am in their midst."*

She was a lost soul, living a lifestyle leading down the wrong path and her family and friends knew it. They weren't sure what to do. They prayed. They went to their parish priest for advice. Then, armed with his advice and the guidance of the Holy Spirit, they sat her down and told her their concerns and told her to "get it together" or they would "take matters into their own hands". With the support of her family and friends, she took the steps she needed to get her life back on track.

*"Where two or more are gathered in my name, I am in their midst."*
