

## PARISH SOCIAL MINISTRY: EVANGELIZING THROUGH FACEBOOK IN 5 STEPS

Pope Francis: "In a world like this, media can help us to feel closer to one another, creating a sense of the unity of the human family which can in turn inspire solidarity and serious efforts to ensure a more dignified life for all. Good communication helps us to grow closer, to know one another better, and ultimately, to grow in unity. The walls which divide us can be broken down only if we are prepared to listen and learn from one another."
