

JUSTFAITH AND GOOD NEWS PEOPLE

Archbishop Sample recently wrote that “Faith formation, catechesis and evangelization ...are a top priority.” “Adults, both young and old, are ... in need of deeper formation and evangelization.”

JustFaith is faith formation and catechesis of the social doctrine of the Catholic Church.

JustFaith explores the gospel call to compassion through study of Scripture and the tradition of Catholic social teaching that has so deeply shaped the Catholic Church.

Why JustFaith? Seven Reasons

1. JustFaith is a deeper connection to faith, parish, and community
2. JustFaith is the renewal and commitment for parish social ministry
3. JustFaith is an investment in your spiritual journey; participants develop a new perspective on themselves and the world's needs
4. JustFaith is small faith-sharing groups using the tools of discussion, prayer, books, and videos to build this faith community.
5. JustFaith is four phases, each with six sessions and an immersion experience, scheduled over seven to nine months to fit your schedule.
6. JustFaith is opportunities for participants to engage with those living in poverty and vulnerability, immersion experiences that are relationship-building experiences instead of service activities.
7. JustFaith is the transformation that happens during faith formation and sharing; it is evangelization!
