My dear parishioners for me it is a beautiful blessing to have my first Easter Sunday with all of you. Easter is the time of God who is present in our lives. This great Easter mystery cannot be lived in isolation. It requires the bonds of community to support us and to challenge us. Every Saturday and Sunday gathers as the Body of Christ at the table of God's word and celebration of the Eucharist, the source and summit of our life in Christ. Easter it is the dawn of a new day, where hope is alive, Our God is alive. He is not dead. We serve a living God Hallelujah! And we shall be with him one day as we hold on to this hope. He made us sad a little while with His death but then, three days later, Jesus rose from the dead. He is not

the tomb. That should fill our hearts with joy! That is the Easter message that you and I should remember on this Easter day. There is hope for those who are lost, peace for those who are troubled, Joy for those who mourn, for your sorrow is just for a moment. There is so much to live for, and Jesus showed the way. We should all embrace this Easter joyously as we celebrate together.

I extend my grateful appreciation to all who ministered today, *Don & Gina Boisvert, Kathy Tumason and Caralie Olsen*, for the beautiful decoration and cleanliness of the church during this holy week and Easter, and to all who helped prepare the Liturgy; especially *Norma Hammons, Rich Orlando* and members of our choir who are spending several hours preparing the music for our liturgy
**Happy Easter!! To You my family
With Love,
Fr. Efrain**
