

"The Lord loves his city...and so do we."

We the people of Our Lady of Sorrows Church are ALL called to action through our faith- to make our world a better place to respect human rights and the dignity of every person.

We are all invited to participate in the actions requested, signing a petition, calling a Representative of informing ourselves and others on a social justice topic. We are ALL asked to bring these issues to prayer.

If you have an issue, please email it to us.
