

THE BOOK OF EXODUS

Book of Exodus Class 1 Slide 1 Transcript

Thanks for coming. I did not know there would be so much. Now this is going to be more of a class. So I wanted to share with you kind of how we get classes in the seminary. There are different ways to read the Scriptures. We will hear about that again. One of them is through faith sharing. You read the Bible, what it means to me. But we don't get enough I think as Catholics, real teaching of the Bible. This is what we're taught about how to understand it. There are themes in the Bible and then there are just books and you study it either by themes like a covenant and you go through all the books and see where covenant is found in all the books in the Bible and then there is by book so we study just the Book of Exodus. We go to other books for other reasons but the Book of Exodus as a book. As you know the Bible is made up of books, it is not one big story of salvation, but it's made up of books. So let's start with a little prayer: In the name of the Father, of the Son and of the Holy Spirit. Let's turn to the Blessed Mother as we say Hail Mary, full of grace the Lord is with thee. Blessed are you among women and blessed is the fruit of your womb, Jesus. Holy Mary, Mother of God, pray for us sinners now and at the hour of our death. Amen. In the name of the Father, of the Son and of the Holy Spirit. Amen.
