Book of Exodus Class 1 Slides 2 & 3 Transcript

So this is the Book of Exodus. Just a couple of business things before we begin. Winters in Maine and cancellations of classes. I need you to get familiar with our web site because at the top of our web site, cancellations will always appear when we have cancellations. That's the picture and underneath it we always put the cancellations, and it is up to the minute so as soon as we decide to cancel something, we go online and hit publish and everyone will be able to know that it is now cancelled. So this is the way you can find out, if it's an ice storm or a snowstorm that we have coming up, the cancellations will be right there.

The web site is [princeofpeace.me](http://www.princeofpeace.me) You can get familiar with that, not .com but .me.
