**Registrations are due by April 15!!**

The purpose of these workshops is to introduce the music ministry leadership (choir/music directors, keyboardists, cantors) of our communities to Mass settings from each of the three major publishers. The workshop is not intended for all choir members; as with the deanery workshops, the hope is that those attending the workshop will bring what they learn back to their parishes. The morning will begin with a keynote address on "Introducing New Mass Settings in a Parish" from Alan Hommerding (May 7) or Jerry Galipeau (May 21) from WLP. They will then lead a choral reading of the Mass settings we have selected from their collection. The afternoon will be spent in three breakout sessions practicing with Mass settings from GIA, OCP, and the ICEL chants.

ORDERING MISSALS

Information from the various publishers offering editions of the Missal is found on our website at:
http://www.davenportdiocese.org/lit/litromanmissal.htm#Publishers. I will be sending out information regarding “bulk” ordering at a discount through the diocese soon. Stay tuned!

LITURGY PREPARATION

LITURGICAL CALENDAR

Ordinary Time

As you begin looking ahead to ordinary time—and especially weekday celebrations—please remember that a wealth of Votive Masses and Masses for Various Needs and Occasions are available. You may also want to consider a number of rites from the Book of Blessings as the summer approaches, for example:

For new drivers, especially as school lets out: Order for the Blessing of the Various Means of Transportation.

Especially for rural parishes: Order for the Blessing of Boats and Fishing Gear; Order for the Blessing of Fields and Flocks; and Order for the Blessing of Seeds at Planting Time.

Since this is a common time for moves to take place: Order for Welcoming of New Parishioners; and Order for the Blessing of a Departing Parishioner.
