MISSION STATEMENT

The Diocese of Davenport will foster the faith formation and spiritual growth of all persons based on standards of academic excellence which are rooted in Gospel values and Catholic Church teachings and celebrations so that faith becomes living, conscious, and active.

Therefore,

• All faith formation opportunities (parish, school, family) exist to teach and live the Gospel message of Jesus Christ

• Parents are the primary educators, and the parish and school are partners with parents in the faith formation and spiritual development of their children/adolescents

• Each person, regardless of race, cultural heritage, age or sex, will be provided with a warm, caring environment which fosters self-esteem, and helps to develop talents, skills and interests according to individual learning abilities

• The content of all faith formation opportunities within the diocese shall follow the curriculum guidelines set forth by the Diocese of Davenport, the Documents of Vatican II, and the Catechism of the Catholic Church

• All individuals appreciating the value of human dignity for themselves and others come together in liturgical celebration, and are called forth to establish a peace-filled, just, global society

VISION

The Diocese of Davenport will continue to base expectations of student learning on rigorous standards of academic excellence which address each child’s developmental needs, and are rooted in Gospel values and Catholic Church teachings.

POLICY 610.0

Instruction
Curriculum Guidelines

It shall be the policy of the Davenport Diocesan Board of Education to provide guidelines for each curriculum area for grades K-12. A long-range plan for reviewing and refining the curriculum shall be developed and updated annually. Each parish and school, utilizing the diocesan guidelines, shall develop a five-seven year plan for assessment of needs, determination of goals, and selection of instructional materials for each area of the curriculum.
PREFACE TO CURRICULUM GUIDE – STANDARDS AND BENCHMARKS

The Diocesan Standards and Benchmarks do not constitute a curriculum guide, however they are an expectation of a minimum amount of material to be covered in a group of grades or cluster. This document first list the major area of study or standard. The standard or major area of study remains the same for all grade levels. Listed below the standard is either an interval benchmark or a grade level benchmark. These two benchmarks further delineate the information covered to a more specific learning objective. After the grade level benchmark specific skills, vocabulary, and objectives are included to give teachers very specific information for part of a daily lesson.

The Diocesan Standards and Benchmarks should be the driving force for what is taught in the classroom, not a text book or individual preference. These items can form a part of what is taught in the classroom but can not replace the concepts stated in this document.

Another important piece of information included in these standards and benchmarks are references to the Iowa Test of Basic Skills (ITBS) and the Iowa Test of Educational Development (ITED). These footnotes allow the teacher to know what items are included in these standardized tests. Beginning in 2005 the specific grade clusters (i.e., K-2, 3-5, 6-8, 9-12) and number of times the subject is covered on the test will also be listed.

The various State of Iowa Integration Areas are also listed in our standards and benchmarks. These areas are listed as CE-Career Knowledge, CS-Communication Skills, GE-Global Education, TS-Higher Order Thinking Skills, MN-Multicultural and Gender Fair, and T-Technology, and G-Gospel Values.
## DEFINITIONS OF CURRICULUM COMPONENTS
