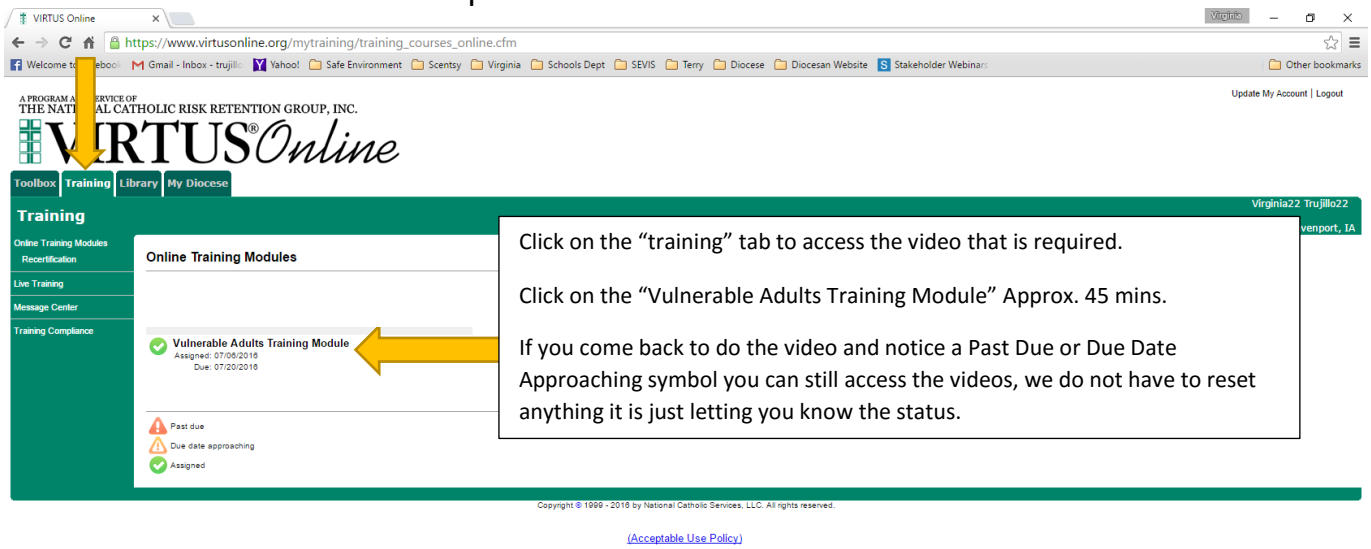
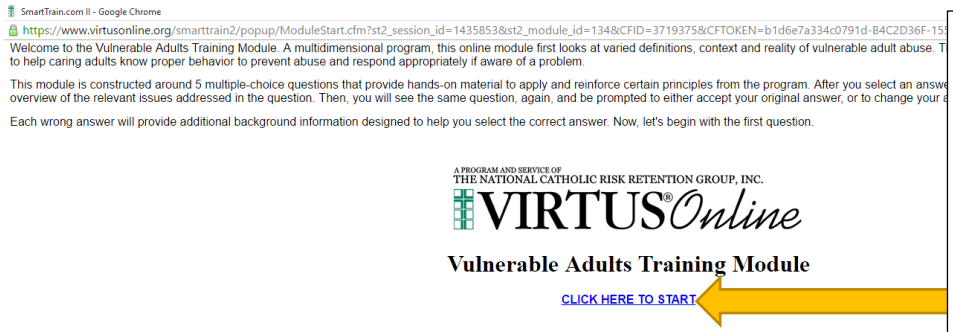
How to Complete Vulnerable Adult Video Instructions



Click on the "training" tab to access the video that is required.

Click on the "Vulnerable Adults Training Module" Approx. 45 mins.

If you come back to do the video and notice a Past Due or Due Date Approaching symbol you can still access the videos, we do not have to reset anything it is just letting you know the status.

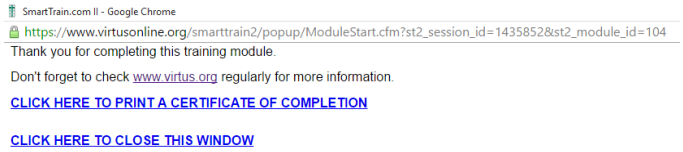


Click here to start the required training.
Process of screens:

- Question
- You answer the question
- Thank you screen
- Videos almost every lesson but not always
- It will give you a chance to change your answer or keep it
- It show you a pop up box that tells you if you are correct or not
- You want the Correct screen to appear
- After it appears you will continue to the next lesson

You will do this 5 times.

If you see this screen you have complete the video training correctly.



*You can print your certificate of completion if you want but it is not required. All our local parish/school designees have access to VIRTUS so they can see that you have completed the training.
