1. Opening Prayer – Patti
2. Approve 4/29/16 minutes
3. New Business
  - a. Schools document

The proposed document and assessment tool regarding Catholic identity in schools was discussed and suggestions offered. It was stressed that this should be a tool to help schools improve rather than a report to be made back to the diocese; it is more likely to be taken seriously if the focus is the former rather than the latter. The Diocese and DLC are ready to assist schools work on their liturgical life as needed.
