Welcome to Day 2!

Cloudy skies early, then partly cloudy in the afternoon. High 42°. Winds N at 5-10 mph.

GOOD MORNING! Hope you had a peaceful, restful night. Get ready for a great full day atNCYC 2019.

THANK YOU to all of you for your patience and for all you did yesterday.

Day 1 is tiring, and challenging. You all did a great job, and know that it is appreciated.

Don’t forget to place your pizza order for tonight. Place your order in writing on the Order Sheet in the Patriot room before you leave this morning. Just find your parish, write in your name, and then the number of each type of pizza you want. No orders accepted via text, phone, or email.

All Bishops, including our own Bishop Thomas Zinkula, will be introduced at this morning’s general session. Let’s show our love and support for him and our pride in being from the Diocese of Davenport by making our presence known when he is introduced. BE LOUD AND PROUD!

Encourage your young people to know where they’re going for breakouts. There are a lot of great sessions, and they don’t all have to go together to the same sessions. And don’t forget to take in a session for you – as a parent (great parent sessions) or ministry leader. Feed yourself! You’ll be in better shape to feed your kids.

Suggestion: The Church is Listening – So Talk to Us! There’s a national effort going on sponsored by the Bishops’ Conference to listen to young people’s experiences of life, church and faith. In Rounds B-E, teens can be part of this important initiative that will shape the future of youth ministry. Encourage a few of your teens to take this breakout in and spend some time talking with their peers about their lives.

Spend some time today in the Global Village. Lots of great things to see and do there.

Need a break? Go to our diocesan oasis at the Convention Center located in the Maryland St. corridor.
