General Culture (Science and Faith)	Vatican Observatory Foundation (Faith & Science): <a href="https://www.vofoundation.org/">https://www.vofoundation.org/</a>	How often have you heard that science and faith are not compatible? Part of evangelization today is helping people see that faith and reason, theology and science, are two sides of the same coin; God, who is Truth, is One. The Vatican Observatory website contains a section on “faith and science” ( <a href="https://www.vofoundation.org/faith-and-science/">https://www.vofoundation.org/faith-and-science/</a> ) that is filled with articles, videos, and audio files that make clear that the Catholic Church is not an enemy of science!
