- **July**
  - Analysis of the Convocation and follow through
- **August – April 2020**
  - Parish evangelization initiatives
- **May**
  - Diocesan Convocation

---

**Recommended Activities and Timeline for the Parish Evangelization Teams**

- **Prior to the regional conversation**
  - Identify how the evangelization team will fit into your parish structure. Will this be a new committee or assimilated into an existing commission?
  - Go to the diocesan website and click on the Vision 20/20 icon.
    - Read through your parish’s listening session summary and other parishes’ summaries.
    - See what resources are currently available for parish use. Ask for resources needed.
  - Reread “The Joy of the Gospel” with study resources.
  - Start a conversation with your team to begin identifying parish evangelization goals and ideas, and what resources are needed to meet those goals.
  - Develop an activity or formation opportunity to engage parishioners during Lent. A list of suggestions is available on the Vision 20/20 website. Share your ideas with other parishes.

- **Following the regional conversations**
  - Schedule meetings to gather on a regular basis.
    - Continue discussion of goals and ideas.
    - Identify parish groups/individuals who can help support the parish goals.
    - Consider developing an action plan for “The Joy of the Gospel” implementation.
  - Implement your Lent formation/activity.
  - Finalize the convocation attendees.
  - Reflect and discuss your parish’s responses once the regional conversation summary becomes available.
    - With this information, further discuss what resources are needed at the parish level to help make the goals a reality. Share these needs.
  - Brainstorm on how to bring greater awareness to parishioners on “The Joy of the Gospel” during the Easter season which leads up to the Convocation.
