2. Approved 9/17/20 minutes
3. Continuing Business
  - a. Rediscovering Sunday
    - i. The current draft of a framework document was reviewed and edited. DLC members expressed a sense of urgency, that this process needs to begin sooner rather than later (ideas of what might be done in the immediate term were discussed). At the same time, an intentional structure needs to be put in place to make this process work. This needs to be a multi-disciplinary endeavor (at diocesan and parish levels).
    - ii. The current document uses RCIA 75 as an organizing principle in terms of *content*. Might the catechumenal *process* also be utilized (a process that unfolds over time, with components—including specific liturgies—unfolding in steps; keeping a focus on mystagogy along the way; centered on the Lectionary).
    - iii. It was noted that parishes and families will be at different places, so the process may unfold at a different pace (or not at all) at different parishes.
    - iv. Communication will be key.
  - b. Music in the liturgy during COVID-19 was discussed.
    - i. The state of the question was
    - ii. Will include guidance with Advent/Christmas advice to parishes as well
4. New Business
  - a. Calendar: November; Advent & Christmas during COVID
    - i. Discussed parish needs and challenges.
    - ii. Liturgy office and DLC will provide guidance for parishes and resources for the Domestic Church.
