RE: Driver Information

Part of managing the auto insurance program for the diocese on behalf of Church Mutual Insurance Company (CMIC) necessitates the collection of confidential driver information for individuals who are **driving parish/location owned vehicles**. This information is needed in order to obtain a motor vehicle record (MVR) on each driver. Catholic Mutual takes your privacy very seriously and, as such, has evaluated our processes and procedures to ensure that we are managing your personal information in the most secure manner. Moving forward, rather than submitting your driver information via USPS or email, we will be utilizing our platform, CMGConnect.org in order to securely collect this data. **Each driver** will be required to log in, view a 12 minute safety video and complete an MVR check approval form.

Enclosed you'll find instructions which will assist with accessing CMGConnect and walking through the required steps to create a user account, complete the training and fill out the driver questionnaire. This process will have to be repeated for each driver every five years. There is no cost to you or the Diocese for this service.

***To note:** Each location will need to assign one person to manage approved drivers. This person must send their username to cmgconnect@catholicmutual.org to request Driving Coordinator access. The guide to navigating CMG Connect will be located under the Resources tab of your updated sign-on.*

Our goal is to ensure the privacy of our members as well as maintain our objective to *protect* our members. Our hope is that working through the curriculum will result in mindful driving, fewer accidents and safer ministry. If at any point you have questions about this new program, please contact me by email at kwestlake@catholicmutual.org or by phone at 800-228-6108, ext. 2327.
