### GROUP 14. CATHOLIC DIOCESE OF SAME

The Diocese is located in Northeastern Tanzania, in the Kilimanjaro Region. The Diocese has a population of 623,000 people, of which 45% are Christian, 35% are Muslim, and 20% follow traditional African religions. Has 74,104 Catholics.

- Tanzania is one of the poorest countries in the world, with 80% of the population residing in rural area. Tanzania has 58 million people, 15 million of who live in absolute poverty earning less than \$1.00 a day.
- One of the serious problems facing the people of the Same Diocese is a shortage of water, which forces people to drink dirty water from unsafe sources. Women and children spend an average of three hours a day collection water.
- During the strategic planning shortage of water and poor health were identified as the major problems of the rural population. A decision was made to that the Diocese should drill a well in each village of more than two thousand people.
