Dear Parents and Guardians,

In an effort to assist in the monumental mission of protecting children from abuse, the All Saints Religious Education is partnering with you to present a safe environment lesson to your child within their religious education. It is our cherished role as adults to fully protect children. In addition, we must also teach children about their safety rights and boundaries, so that they have tools to protect themselves.

This school year, your child will be presented with a program entitled *Empowering God's Children*, in which the catechists present a safety lesson to children that houses a grade-appropriate video component along with a hands-on activity. The material is designed to better equip your child to know their rights, recognize their boundaries, and to empower them to protect themselves when safe adults are not immediately available—and ultimately be safer from people who might want to harm them. Children will participate within one of the following lessons:

Lesson 1: *Physical Boundaries: Safe and Unsafe Touching Rules*

Lesson 3: *Boundaries: You Have Rights!*

Lesson 2: *Safe Adults, Safe Touches and Special Safe Adults*

Lesson 4: *Secrets, Surprises and Promises*

Lesson 5: *Being a Safe Friend*

As the primary educators of your children, parents and guardians are encouraged to review these materials ahead of time and discuss the information at home. If you have ever thought about how to empower children to protect themselves, fortify their boundaries or increase their safety through in-person and online situations, then reviewing the lessons on your own to both begin *and* reiterate the message at home is the best next step to take. Thank you for your partnership with us to protect youth.

IMPORTANT INFORMATION:

Our *Empowering God's Children* Lessons 3 and 4 will be presented on the week of October 18, 2021. If you **DO NOT** want your child to receive safe the environment lesson to protect themselves, please keep your child home.

For questions, or to obtain access to the specific lesson and related activities, please contact the Religious Education Office at 954-742-7742.

Please note: You also have the ability to “opt” out of the formal in-program safety lesson if you only plan to provide safe environment education at home. Please complete, detach and submit the form below if you **DO NOT** want your child to receive safe the environment lesson to protect themselves.

TO OPT-OUT THE CHILD FROM THE SAFETY LESSON, RETURN THIS PORTION TO:

All Saints Religious Education Office upon registration.
