

Dear Lectors:

This is our second round of modified scheduling and you have done very well with the fluidity. We are still scheduling one lector per Mass until further notice.

Please note these reminders as we prepare to serve in the next few months:

- \* Please arrive in the sacristy 20 minutes before Mass wearing a face mask
- \* After checking your name on the schedule please search the lectionary AND the Prayers of the Faithful (burgundy book). Find the correct readings and prayers so that you are on the right place when you approach the podiums.
- \* There is no entrance procession; please go to the lector chair near the baptism font.
- \* Prior to the First Reading remove your mask; then replace it when seated.
- \* To approach the sanctuary please walk around to the front and give the customary bow of respect, then ascend the stairs and go to the ambo to proclaim.
- \* The cantor will not meet you in the center so exit to the left side until the Responsorial Psalm is completed, then, again go to front-center and reverence the sanctuary before the second reading.
- \* If a deacon is present he will read the Prayers of the Faithful; if not prepare before Mass begins.
- \* During the Creed walk across to the cantor side and approach the cantor stand for the Prayer of Faithful.

If you cannot keep this schedule please use your roster to call for a replacement.

Thank you for your service.

Peggy O
