A patron saint is a special intercessor for your child. Just as you would ask your friends to pray for you, we ask these saints to pray for us, and as James 5 reminds us "Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent *prayer of a righteous man availeth much*." All the holy men, women, and angels in heaven pray for the will of God, and lift us up as well, that we might be saved, and how much more righteous are they who are already perfected in the resurrection.
