Inspiring a Love of Learning

The SJPII Library provides services as a resource to support the academic, artistic, and recreational needs of the students, staff and entire school community. The library promotes literature appreciation and study skills that fosters a lifetime love of reading and learning.

All students at SJPII will visit the library and learn from the School's Librarian, Mrs. Lamb.

Study Skills Techniques

A brief Study Skills lesson will be taught during library time each week for students in 1st-8th grades. These Study Skills are also incorporated into regular curriculum and have proven to be essential skills for academic success not only at St. John Paul II, but also into high school and college: LISAN, SCORES, SLOWER, Organization skills, Memorization skills, PAGES, and Improving Reading abilities. For a complete list of Study Skills please click here.
