**Easter Sunday of the Resurrection of the Lord**

"But Peter got up and ran to the tomb." Peter was unique in this response to the news of Jesus' resurrection. The other apostles disregarded the reports from the women who had seen the empty tomb and heard the angels because "their story seemed like nonsense and they did not believe them." But Peter took action. He got up and ran to see the evidence and "went home amazed at what had happened."

On this Easter day, we have a choice to make. We too have heard a remarkable report. We have been told that two thousand years ago, a man named Jesus defeated death and rose from the grave. To many people in today's world, this sounds like nonsense, just like it did when it first happened. Some would like to dismiss the story entirely as a myth at best, or an outright lie at worst. Others try to spiritualize the miracle, suggesting that the Resurrection narrative is a story that is meant to symbolize the power of God, but whether or not Jesus actually rose from the dead is irrelevant. Finally, there are those who simply believe--those who, with Peter, make an act of faith and choose to take the Gospel literally.

This of course is the Christian way. It was not the Crucifixion that brought confidence to the early followers of Christ; it was the Resurrection. This momentous event has always made all the difference! We will only water down our faith if we reduce Easter to anything other than a true miracle. But to accept it as such will bolster our faith. As St. Paul wrote in the Epistle to the Romans, "Just as Christ was raised from the dead by the glory of the Father, we too might live in newness of life." This Easter, may we experience the great joy of new life in the risen Christ.
