A Stewardship Moment

In Jesus' parable of the Unjust Steward, we encounter a financial manager who has wasted his master's wealth and faces dismissal from his position. To overcome the crisis confronting him, the steward reduces some very considerable debts owed by poor neighbors to his master in order to help them out. Though the steward has sinned against God and his master by squandering what belongs to someone else, both the prudent way in which he goes about resolving the crisis coupled with relieving people who are in need can be seen as a way to better steward the gifts entrusted to us by God. Although good stewards today acknowledge that they may never use their God-given gifts in a way that completely conforms to the demands of the Gospel, a commitment to using their gifts with prudence and for the purpose of helping their neighbors wins God's favor.

From July 1, 2019 through June 30, 2020 the weekly amount to maintain our church is now **\$4,188.38**. This is only for expenses to maintain our liturgy, ministries, personnel, and facilities throughout the church compound. We are now showing you our weekly income and accumulated deficit for the church throughout the fiscal year.

"Your cannot serve God and mammon (wealth)" — Luke 16:13

Dear Parishioners,

Giving money to support our Church is one of the important missions of our ministry. Our faith needs to be lived in different ways and money is one expression of that. Giving money frees us from being attached to wealth. It helps us to depend on God and to trust in him because God provides for all of our needs.

May God bless you for all your support to our church ministries.

Fr. Nicolaus Marandu
